Your Unified Source of Truth - The Stutts Standard

Proud American Patriots, welcome to the seventh issue of the GCGOP Newsletter, The Stutts Standard. Following in the footsteps of our beloved late leader and friend, Pressley Stutts, this newsletter will bring you the unfettered Truth. We vow to speak freely, boldly, and transparently while delivering party updates, addressing hot topics, and empowering the People with practical Call to Actions that will be crucial to holding our elected officials accountable.

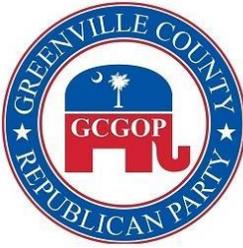

We thank you for standing up for our Freedoms, for choosing to be a part of the solution, and for participating in the fight to take our great Country back. While we find ourselves in desperate times, fear not, for we have God-the Truth, the Light, and the Way-on our side. Together, we will put on the full armor of God and go boldly where others will not. We will expose the deep state establishment, we will replace the Socialist Democrats and Republicans In Name Only with true Patriots who are willing to uphold the Constitution and protect the Rights of the People, we will Save America for ourselves and our posterity and we will never back down.

Enjoy this edition of The Stutts Standard, and remember, the Power will always be in the People.

Focus: The Need to Know

The Conservative Chamber of Commerce is Here: Validating the belief that We the People are the solution, the Conservative Chamber of Commerce has formed and has begun meeting every Tuesday. Discussions regarding how the People can gather, work together to support Patriot owned businesses, and defend life, liberty and the pursuit of happiness take place beginning at 7 PM. **Text “CCC” to 864-447-6454 to become a part of the Conservative Chamber of Commerce** and share with family, friends, and business owners who are willing to be bold and Make America Great Again.

Committee Callouts

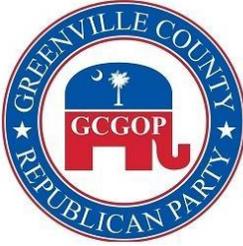

Communication Committee: The Communication Committee will begin initiating “Acceleration Teams”. These teams will be temporary teams that are stood up in order to quickly execute on a particular need and will be dissolved after the goal has been accomplished. The intent here is to employ an agile methodology optimizing results and time spent on projects. The first round of projects that need to be completed are “The Guide to GOP Playbooks”. The best fit for these Acceleration Teams will be individuals who are comfortable with technology, have a decent understanding of the GOP, what works and what doesn’t, as well as first hand experience as an EC/President who has been active and effective in your precinct. **If you’re interested in receiving more information, please reach out to Dakota Fitzgerald, 2nd Vice Chair, via text or call (864) 270- 4081 or email walkyourpathinpeace@gmail.com.**

Election Integrity Committee: South Carolina Attorney General Alan Wilson still has an opportunity to sign onto the next big Supreme Court case for 2020 voter fraud. The Kurt Olsen pleading, which other states are joining, is supported by President Trump and Mike Lindell.

Call To Action: Please remind the SC Attorney General that defendants Arizona, Michigan, Georgia, Pennsylvania, and Wisconsin disenfranchised all South Carolina voters by allowing rampant 2020 voter fraud. Also remind him that SC's centralized voter registration database is a single point of potential cybersecurity failure. It may have opened us up to the kind of corruption that was seen in Pennsylvania, where it is said, the Hillary Clinton campaign had direct access to the PA registration database, even in 2020! That evidence was found through a Freedom of Information Act request.

Now is an excellent time to reach out on this!

Exposing the Deep State

Pope's Death on Christmas Eve? In a bizarre broadcast, [an ITV news anchor mistakenly announces Pope Francis' death](#) on Christmas Eve while reading from a teleprompter. While we know the Fake News Media has been producing propaganda and manufacturing misleading stories to clog up the news cycle for some time now, this one certainly stood out.

What's Going on with the Ghislaine Maxwell Trial? What should have been an extensive and in depth investigation into the connections and dark dealings of Ghislaine Maxwell, now seems to be turning into an attempted cover up where brushing the whole debacle under the proverbial rug is more convenient than telling the Truth. That is where We the People come in. We are the spreaders of Truth. Be sure to get loud on the subject of Human Trafficking. [Do your research](#), [track trafficker takedowns](#) (don't be fooled by MSM - operations to eradicate Human Trafficking are still very much underway), and do not allow the world to forget about crimes against humanity carried out at the hands of Jeffrey Epstein, Ghislaine Maxwell, countless world leaders, politicians and elitists. We will wait for the jury to come back with a verdict and keep you updated. In the meantime, stand up and speak out!
